Golf Old Course Cannes Mandelieu

Come and enjoy our new Golf practice, entirely renovated and suitable for all levels of experience. In a welcoming atmosphere, feel free to enjoy our 22 Putting mats (left-handed/right-handed) from 8 am to 7 pm. A free private parking lot is also available for our customers. In order to offer you the best experience, our 4 certified instructors ensure a permanent presence. For an optimal training, it is essential to play under diverse flags. Our Putting green owns 7 different flags which allow you to improve your talent alone on your Putting mat or with one of our teacher on the grass. A good player is able to use different techniques in the same situation. In order to reach this objective, you have to train yourself.

Royal Mougins Golf

Royal Mougins Golf Club is a reference on the French Riviera, the Alpes-Maritimes and in Europe, for the quality of the championship 18-hole golf course of 6004 meter par 71 and for its technical nature, but also for its preserved natural environment and all the top-of-the-range services making it a unique place on the French Riviera.

To play on the golf course, you need to have a maximum handicap of 32 for women and 28 for men. The admissions office, managed by the Club Board in collaboration with the Association Sportive, studies and approves the members' membership. The golf member statute gives you priority and unlimited access to the golf course and the practice. It comprises a synthetic grass area with 20 posts, a green area, a putting area, a chipping area and training bunkers.

The access of the private golf course of the Royal Mougins Golf Club is restricted to its members, their guests (max. 5 times per year), to the members of the day and the clients of the hotel. The golf course is also available for some private events whether they are personal or professional. Privatize the golf course or the half-course of the Royal Mougins Golf Resort to become 'member of the day'

In order to accept your bookings, we ask to the outer players, 'guests' members', 'hotel clients"', or the 'member of the day' to display a license or an handicap certificate and to complete an information sheet at the Proshop.
